

I drew the picture to tell a story of a famous Chinese historical event. The story tells a contest between Xiang Yu and Liu Bang, they were two rebel leaders at the end of the Qin Dynasty, in order to compete for world domination-Xiang Yu held to kill Liu Bang.

Xiang Zhuang(1st on the left) in the painting followed Fan Zeng's instructions to do a sword dance to kill Liu Bang (2nd from the left), and Xiang Bo (1st from the right) saw that the situation. Xiang Bo pretended to compete with Xiang Zhuang in martial arts, I drew the scene in the painting.

The next part is about the technique, I used the watercolor brush in the electric painting to present the ancient style, I want to simulate the mood of Liu Bang at that time, and the dialog box added a bit of tension and an interesting atmosphere.
